VITALII VASYLETS

FULL STACK DEVELOPER

SUMMARY

I am open to new job opportunities in IT (HTML/CSS/JavaScript/React/Node.js) and I am currently developing my skills.

My personal solid qualities are the ability to work with large amounts of information, self-motivation, quick decision-making, adaptability, and being a good team player.

Also, I am a fast learner, responsible, accountable, and ready for challenging tasks which require learning new technologies.
